STAFF'S SECOND SET OF DATA REQUESTS TO  
BROADBAND DYNAMICS L.L.C.  
DOCKET NO. T-04102A-06-0176

-----  
Please make sure each numbered item and each part of the item is answered completely. If it is not, Staff will resubmit the numbered item(s) and/or part(s) of the item in a following data request. Also, please make sure all information you provide in response to item(s) concerning this Application, including Staff's data requests, is updated and current. If you need to update your response to any item(s)/request(s), please reference the item(s)/request(s) and provide your current response(s). In order for Staff to continue with its review of this Application, the following information must be submitted:

- JFB2-1. Please submit a PDF file of your responses to this data request to [jbostwick@cc.state.az.us](mailto:jbostwick@cc.state.az.us).
- JFB2-2. You have indicated that you want to provide resold local exchange telecommunications services in Arizona. For each type of tariffed service, please answer question JFB2-3.
- JFB2-3. Please indicate why you believe that your range of rates is just and reasonable using a competitive market analysis. Your analysis should contain publicly available examples of tariff rates and charges charged by the incumbent and other carriers for similar services. Include supporting material and any other information that you believe demonstrates that your actual or proposed tariff rates and charges are just and reasonable. For a list of telecommunications carriers certificated in Arizona, go to [www.cc.state.az.us/utility/utility](http://www.cc.state.az.us/utility/utility). For a list of telecommunications carriers' tariff rates and charges, go to [www.cc.state.az.us/utility/tariffs](http://www.cc.state.az.us/utility/tariffs). Provide actual tariff pages and use a matrix format to show your actual or proposed tariff rates and charges. Then show each competitor's tariff rates and charges for comparable telecommunications services and/or calling plans. At a minimum, show tariff information of Qwest, Cox Telcom and two other competitors in Arizona. The material you provide should enable Staff to determine whether the tariff rates and charges of the Applicant are just and reasonable compared to other competitors offering the same or similar telecommunications services in Arizona. Provide all source documentation.
- JFB2-4 The "Application and Petition for Certificate of Convenience and Necessity to Provide Intrastate Telecommunications Services" form was revised on July 7, 2006. Please answer Item Number (A-21) of the revised Application form. Also, make sure all responses in your original Application are current and complete according to the revised Application form dated 07/07/06.
